Dear Dr. Overton:

LETTER OF AWARD:

U4U Allotment Number: 54U4U23Y3

Data Universal Numbering System (DUNS) Number: 192631146

FUNDING PERIOD: July 1, 2023, through September 30, 2023

The Centers for Disease Control and Prevention (CDC) created a supplement to the Tuberculosis Elimination and Laboratory Cooperative Agreement (CDC-RFA-PS20-2001) CFDA number: 93.116; FAIN number: NU52PS910219.

This letter confirms the California Department of Public Health (CDPH) Tuberculosis Control Branch (TBCB) is awarding local assistance funds to support tuberculosis (TB) prevention and control activities serving the recently arrived Ukrainians as part of the Uniting for Ukraine (U4U) program. U4U funds are comprised of federal funds only **and must be expended by September 30, 2023.**

U4U ALLOTMENT

The Tulare County Health and Human Services Agency U4U award amount for funding period July 1, 2023, through September 30, 2023 is \$14,250.

MANAGING YOUR U4U ALLOTMENT

U4U supplemental funds, comprised of federal funding only, may be used for: salaries and benefits for staff conducting TB prevention control and elimination activities; food, shelter, incentives and enablers (FSIE) for TB patients and their contacts; TB-related travel; TB-related supplies (excluding equipment); and anti-TB medications. Since funds from the original PS20-2001 (Cooperative Agreement) cannot be used for medications, you will need to keep a separate account of spending for medications purchased with U4U supplemental funds. **Unspent U4U funds may be used for TB prevention and control activities that are not part of the U4U program.**
