1. Ratified and approved the electronic submission of an online Animal Welfare Organization grant application to Petco Love, retroactive from July 19, 2024. The grant application is retroactive due to the short application period needed to complete the application along with the supporting documents.
2. Found that the Board had the authority to approve the grant application as of July 19, 2024, and that it was in the County's best interest to approve the grant application on that date.
