SUBJECT: Burrel Paving Project

REQUEST(S):

That the Board of Supervisors:

1. Award the contract for the Burrel Paving Project to the lowest responsible and responsive bidder, Tosted Asphalt, Inc., in the amount of \$625,000.
2. Authorize the Chair of the Board to sign the agreement.

SUMMARY:

On July 30, 2024, the Board approved the Five-Year Capital Improvement Plan (CIP) which identifies the County's priorities and is used to allocate project resources to areas of greatest need. The Burrel Paving Project was identified as a project to be undertaken this fiscal year.

The Burrel Paving Project will consist of repaving existing parking areas and parking lot drive lanes around Burrel Plaza located at 2637 W. Burrel Ave, Visalia. These areas are deteriorated and will be repaved to match the existing pavement profile. The project will include the removal of the existing deteriorated asphalt concrete and the compaction of the existing aggregate base or replacement of aggregate base in select areas. Once the existing paving demolition/removal is complete, the new asphalt concrete paving will be installed along with a new trash receptacle enclosure. The existing curbs, gutters, and landscaping will not be disturbed.

On June 25, 2024, the Board authorized the advertisement of bids for the Project. Bids were received for this project on August 1, 2024. A total of five (5) bids were received and are summarized below.
