**EXHIBIT A**

**AUTHORITY, PURPOSE AND SCOPE OF WORK**

**1. Authority**

Pursuant to Part 2 Chapter 2.5 of Division 31 of the Health and Safety Code (commencing with Section 50470) Statutes of 2017 (SB 2, Atkins), which created the Building Homes and Jobs Trust Fund and the Permanent Local Housing Allocation (“PLHA”) Program (“Program”), this Standard Agreement along with all its exhibits (the “Agreement”) is entered under the authority of and in furtherance of the Program. Pursuant to Health and Safety Code, Section 50470 (b), the California Department of Housing and Community Development (referred to herein as “HCD” or “Department”) has issued a Notice of Funding Availability (the “NOFA”), dated December 29, 2023, to govern administration of the fund and carry out the Program.

**2. Purpose**

In accordance with the authority cited above, an application was made to the State (the “Application”) for assistance from the Program for the purpose of making funding available to eligible local governments in California for housing related projects and programs that assist in addressing the unmet housing needs of their local communities. By entering into this Agreement and thereby accepting the award of the PLHA grant funds (the “Grant”), the Contractor (sometimes referred to herein as the “Applicant”) agrees to comply with the terms and conditions of the NOFA, this Agreement, the representations contained in the Application, and the requirements of the authorities cited above.

**3. Definitions**

Capitalized terms not otherwise defined herein shall have the meaning of the definitions set forth in Health and Safety Code Section 50470 and Section 101 of the Guidelines.

**4. Scope of Work**

- A. The scope of work (“Work”) for this Agreement shall consist of one or more of the following eligible uses:
  - 1) The predevelopment, development, acquisition, rehabilitation, and preservation of multifamily, residential live-work, rental housing that is affordable to extremely low-, very low-, low-, or moderate-income households, including necessary Operating subsidies.

**EXHIBIT A**

- 2) The predevelopment, development, acquisition, rehabilitation, and preservation of Affordable rental and ownership housing, including Accessory dwelling units (ADUs), that meets the needs of a growing workforce earning up to 120 percent of AMI, or 150 percent of AMI in high-cost areas. ADUs shall be available for a term of no less than thirty days.
- 3) Matching portions of funds placed into local or regional housing trust funds.
- 4) Matching portions of funds available through the Low- and Moderate-Income Housing Asset Fund pursuant to subdivision (d) of HSC Section 34176.
- 5) Capitalized Reserves for Services connected to the preservation and creation of new Permanent supportive housing.
- 6) Assisting persons who are experiencing or at risk of homelessness, including, but not limited to, providing rapid rehousing, rental assistance, supportive/case management services that allow people to obtain and retain housing, operating and capital costs for navigation centers and emergency shelters, and the new construction, rehabilitation, and preservation of permanent and transitional housing.
  - a) This Activity may include subawards to Administrative Entities as defined in HSC Section 50490(a)(1-3) that were awarded California Emergency Solutions and Housing (CESH) program or Homeless Emergency Aid Program (HEAP) funds for rental assistance to continue assistance to these households.
  - b) Applicants must provide rapid rehousing, rental assistance, navigation centers, emergency shelter, and transitional housing activities in a manner consistent with the Housing First practices described in 25 CCR, Section 8409, subdivision (b)(1)-(6) and in compliance with WIC Section 8255(b)(8). An Applicant allocated funds for the new construction, rehabilitation, and preservation of Permanent supportive housing shall incorporate the core components of Housing First, as provided in WIC Section 8255, subdivision (b).

**EXHIBIT A**

- 7) Accessibility modifications in Lower-income Owner-occupied housing.
  - 8) Efforts to acquire and rehabilitate foreclosed or vacant homes and apartments.
  - 9) Homeownership opportunities, including, but not limited to, down payment assistance.
  - 10) Fiscal incentives made by a county to a city within the county to incentivize approval of one or more Affordable housing Projects, or matching funds invested by a county in an Affordable housing development Project in a city within the county, provided that the city has made an equal or greater investment in the project. The county fiscal incentives shall be in the form of a grant or low-interest loan to an Affordable housing Project. Matching funds investments by both the county and the city also shall be a grant or low interest deferred loan to the Affordable housing Project.
