1. Ratify the submission of the grant application on April 28, 2025, from the California Department of Resources Recycling and Recovery Local Enforcement Agency Grant Program for funding in an amount not to exceed \$25,599, effective July 1, 2025, through October 30, 2026. The submission of the grant application is retroactive due to the short turnaround time to submit the application, making it impracticable for the Board to take action prior to April 28, 2025.
2. Find that the Board had the authority to submit the grant application as of April 28, 2025, and that it was in the County's best interest to do so on that date.
3. Ratify the Chair's signature on the grant application from April 28, 2025.
4. Authorize the Chair of the Board to execute in the name of Tulare County the grant documents, including but not limited to the applications, agreements, amendments, and requests for payment necessary to secure grant funds and implement the approved grant project.

5. Approve the resolution from the California Department of Resources Recycling and Recovery Local Enforcement Agency through June 30, 2030.
