IJ.11	Goal #1	Direct	001	Tulare County Office of Emergency Services Mass Notification System	The Tulare County Office of Emergency Services will maintain the local mass notification system for 12 months, enabling rapid notification of responders and the general public of actual or threatened emergencies and the necessary response / proactive actions to ensure life safety, including evacuation orders and sheltering instructions. This system will be paired with opted-in registered voter information to provide public awareness of election locations and best security practices.	SHSP	EMG	Equipment	Public Information and Warning	Sustain	Both	No	98,000				98,000	
IJ.05	Goal #6	Subaward	002	Visalia Police Department Bomb Response Team Vehicle	The Visalia Police Department will purchase a customized Bomb Response Vehicle. The Central Valley Regional Bomb Squad (CVRBS) is responsible for response and disposition of explosive devices in Tulare and Kings Counties. The team is multi-jurisdictional with personnel from the Visalia PD, Tulare County SD, and Kings County SD. The purchase of a new AEL bomb vehicle will better equip the team to respond to acts of terrorism through a reliable transport vehicle and a modern meeting location. Terrorists and Domestic Violent Extremists have historically used improvised explosive devices to threaten and/or injure community members. The CVRBS is the primary responder to these types of threats and devices. The team is governed through the FBI and has also been called to assist in areas outside their area of responsibility. The purchase of a new vehicle would expand the multi-jurisdictional response to explosive hazards consistent with LETFA. IJ.04	Goal #5	Direct	003	Tulare County Animal Services Dog/Cat Crates	Dog and Cat crates help facilitate safe transport carriers for evacuating animals during emergency situations. Small animals need secure ways for their owners and rescue personnel to safely transport animals to other locations. These carriers for both dog and cat carriers will be used to safely transport animals during natural disasters. Animal Services works with other local, state, and federal agencies to house animals during disasters, these crates may also be used in mutual aid assistance.	SHSP	EMG	Equipment	Critical Transportation	Build	Both	No	6,494				6,494	
IJ.09	Goal #6	Subaward	004	Dinuba Fire Department Portable Radios	These communication devices will enable the DFD to efficiently coordinate with state and county agencies during major incidents, including natural disasters, mass casualty events, and threats to public safety. The radios are interoperable with state and county communication systems, enhancing real-time information and intelligence sharing - a critical National Priority - by ensuring seamless communication between multiple agencies.	SHSP	FS	Equipment	Intelligence and Information Sharing	Build	Both	No	13,250				13,250	
IJ.01	Goal #1	Subaward	005	Dinuba Police Department Surveillance Drone	This project seeks to expand our current drone program by acquiring advanced drone systems for law enforcement across jurisdictions, enhancing information collection, analysis and sharing in support of public safety. The drones will provide real-time aerial surveillance, improve situational awareness, and enable more effective data collection in critical situations. By facilitating faster responses and better coordination between agencies, the expanded program will strengthen public safety operations and protect communities.	SHSP	LE	Equipment	Situational Assessment	Build	Both	No	13,750				13,750
