About Sales Tax

Items sold by Development Group, Inc. ("DGI") and shipped to destinations in California are subject to sales tax.

If an item is subject to sales tax in the state to which the order is shipped, tax is generally calculated on the total selling price of each individual item. In accordance with state tax laws, the total selling price of an order will generally include shipping and handling charges and item-level discounts. The amount of tax charged on your order will depend upon many factors including, but not limited to, the type of item(s) purchased, and the source and destination of the shipment. Factors can change between the time you place an order and the time and invoice is sent, which could affect the calculation of sales taxes. The amount appearing on your proposal as 'Estimated Sales Tax' may differ from the sales taxes ultimately charged.

About Product Returns

Development Group, Inc. ("DGI") only accepts the return of Products (a) that DGI has the right to return to the applicable manufacturers or suppliers, (b) for which DGI receives your written request for return within FOURTEEN (14) DAYS from the date of the invoice for such Products, and (c) that are factory sealed in fully resalable condition or which are Dead on Arrival ("DoA"). Except for Products returned because they are defective or DoA, to be eligible for return, Products must be in resalable condition, complete, unused and unopened, with the outer seal intact. Products that do not meet these conditions are not eligible for return and will be returned to you. Eligible Product returns will receive a credit that will be issued at the original purchase price that you paid for the Product only if your account is current. DGI may return to you, any Product not authorized for return (an "Unauthorized Return") at your expense, or DGI may, at its sole discretion, issue a credit for the current price of the Product, less a thirty percent (30%) restocking fee. DGI is not liable for any loss or damage to Unauthorized Returns.
