Department of Housing and Community Development
Attn: HCD – Homekey +

Subject: Housing Authority of Tulare County of Tulare

This letter is evidence of the commitment by the County of Tulare Health and Human Services to provide \$550,000 as one-time funding for the Homekey+ housing project through the Housing Authority of Tulare County. This project is located at 627 S. Fulgham St. Visalia, Ca. 93277. The funding is to be used for the pre-development costs associated with beginning a new housing project. The housing project will consist of 21 units of housing focused on veterans, including a manager unit.

The funding source is Homeless Housing, Assistance and Prevention (HHAP) Round 4. The state allows funding from HHAP to support permanent supportive housing for the homeless population.

Sincerely,

Anita Ortiz
Associate Director of Health and Human Services
