LAND CONSERVATION CONTRACT
TULARE CO. AGREEMENT NO. 32043 RESOLUTION NO. 2024-1219

This Land Conservation Contract, made and entered into as a result of Agricultural Preserve/Contract Application No. NWA 24-018 for PAP 24-017 for Assessor's Parcel Number APN 214-070-010 & 214-080-009, as of the 17th day of December, 2024, by and between PAI Centurion Citrus LLC. hereinafter referred to as the "owner", and the County of Tulare, hereinafter referred to as the "County".

WITNESSETH

WHEREAS, the Owner owns real property in the County of Tulare, State of California, hereinafter referred to as "Subject Property", which is described as APN 214-070-010 & 214-080-009 with legal description as described in Exhibit A and illustrated in Exhibit B.

WHEREAS, the Subject Property is now devoted to agricultural uses and uses compatible thereto; and

WHEREAS, the Subject Property is located in Agricultural Preserve No. 4527, which was established by the Board of Supervisors of the County by Resolution No. 2024-1025; and

WHEREAS, the Owner and the County desire to limit the use of the Subject Property to agricultural uses and uses compatible thereto, in order to preserve a maximum of agricultural land, to conserve California's economic resources, to maintain the NWA 24-018 for PAP 24-017

agricultural economy, to assure a supply of food and fiber for future residents of the State, and to discourage the premature and unnecessary conversion of agricultural land to urban uses, recognizing that such land has public value as open space and constitutes an important physical, social, aesthetic, and economic asset to the Owner and the County; and

WHEREAS, the Contract is entered into pursuant to the Williamson Act (Government Code, Section 51200, et seq.) and constitutes an enforceable restriction under the provisions of Section 421 et seq. of the State Revenue and Taxation Code; and

WHEREAS, the County enters into this Contract with the Owner on the express condition that funds be annually appropriated by the State of California, and that annual payments continue to be made to the County by the State Controller, under the provisions of the Open Space Subvention Act (California Government Code section 16140, et. seq.), and that if said funds are not appropriated or dispersed, the County may terminate the Contract in regards to the land owned by Owner and declare it null and void.

NOW, THEREFORE, IT IS AGREED as follows:

1. This Contract is entered into pursuant to the Williamson Act and all of the provisions of said Act, including any amendments hereafter enacted, are hereby incorporated by reference and made a part of this Contract as if fully set forth herein.

2. During the term of this Contract and any renewals thereof, the subject Property shall not be used by the Owner, or his successors in interest, for any purpose other than the production of agricultural commodities for commercial purposes and those compatible uses which are listed in the Resolution establishing the Agricultural Preserve within which the land is located. The Board of Supervisors of the County may from time to time during the term of the Contract and any renewals thereof, by resolution or ordinance, add to the permissible uses of the Subject Property listed in the Resolution establishing the Preserve. However, the Board of Supervisors may not during the terms of the Contract and any renewals thereof eliminate any of the permitted uses for the Subject Property, as set forth in said Resolution or Ordinance, without the prior written consent of the Owner.

3. Nothing in this Contract shall limit or supersede the planning, zoning, and other police powers of the County, and the right of the County to exercise such powers

with regard to the Subject Property. All uses of and actions regarding the Subject Property shall comply with all applicable local ordinances, regulations, resolutions and state laws, as adopted or amended from time to time.

4. There shall be no payment to the Owner by the County.

5. The terms of this contract shall be for ten (10) years, commencing on the date that this Contract is executed by the Board of Supervisors of the County. The first (1st) day of January of each year shall be the annual renewal date of this contract.

6. This Contract shall be automatically renewed on the annual renewal date each year for an additional period of one (1) year unless notice of non-renewal is filed in accordance with the Williamson Act. No notice of renewal is required to be given or recorded by either party to effectuate the automatic renewals provided for in this paragraph.

7. This Land Conservation Contract is made expressly conditioned upon the State's continued compliance with the provisions of the Open Space Subvention Act. If in any year the State fails to make any of the subvention payments to the County required under the provision of the Open Space Subvention Act, then this Contract, at the option of, and in the sole and absolute discretion of the County, may be terminated by the County and declared null and void. The State's failure to make such payments may be due to non-appropriation of funds by the Legislature, failure to disburse appropriated funds, amendment or repeal of the applicable provisions of the Open Space Subvention Act, or by any other cause whatsoever. The County may exercise its option to declare the Contract null and void by delivering notice to the Department of Conservation, Division of Land Resource Protection, Owner or successors or assigns, and by recording such notice in the Official Records of Tulare County. This Land Conservation Contract shall terminate with no continuing contractual rights of any kind; provided, however, that the owner may apply for a new Land Conservation Contract or Farmland Security Zone Contract as otherwise may be provided by law.

8. This Contract may be canceled only in accordance with the provisions of the Williamson Act governing cancellation of Contracts.

9. Any notices required to be given to the County under this Amendment to Land Conservation Contract shall be delivered to the Clerk of the Board of Supervisors of

the County, and any notices to be given to the Owner shall be mailed to the following name(s) and address(es):
