**SUMMARY:**

The Transparent Review of Unjust Transfers and Holds (TRUTH) Act was signed into law by Governor Jerry Brown on September 28, 2016. Beginning January 1, 2018, the Act requires local law enforcement agencies, prior to an interview between the United States Immigration and Customs Enforcement (ICE) and an individual in custody regarding civil immigration violations, to provide the individual with a written consent form. The Act also requires that records related to ICE access be public records for the purposes of the California Public Records Act among other provisions.

One requirement to note is that beginning January 1, 2018, the Act also calls for the local governing body of any county, city in which a local law enforcement agency has provided ICE access to an individual during the last year, to hold at least one public community forum during the following year. At that time, the local governing body must provide information to the public about ICE's access to individuals and receive and consider public comment.

Staff is requesting the Board of Supervisors hold a public forum on October 24, 2023, at 10:00 a.m. to receive a report in compliance with the requirements of the TRUTH Act and
