WORKFORCE INVESTMENT BOARD of TULARE COUNTY  
STATEMENT OF WORK  
July 1, 2021 THROUGH June 30, 2022

THIS STATEMENT OF WORK IS BETWEEN THE COUNTY OF TULARE, BY AND THROUGH THE HEALTH AND HUMAN SERVICES AGENCY TULAREWORKs, HEREINAFTER REFERRED TO AS (COUNTY), and WORKFORCE INVESTMENT BOARD OF TULARE COUNTY (WIB), HEREINAFTER REFERRED TO AS CONTRACTOR

CONTRACTOR will provide the services described in this agreement for all Expanded Subsidized Employment (ESE) referrals. Notwithstanding Paragraph 29, Order of Precedence, of the General Terms and Conditions (GTC) relevant to this agreement and paragraph 21, Assignment/Subcontracting, of the GTC, CONTRACTOR may subcontract with other local service providers for any of the services to be provided through this agreement, if desired, without written consent from the COUNTY. CONTRACTOR's ability to subcontract as stated in this paragraph shall supersede any prohibition or restriction against subcontracting without written consent from the COUNTY as indicated in paragraph 21 of the GTC. However, if a subcontractor also has any contract directly with the COUNTY for providing the same or similar services, CONTRACTOR must ensure that counts from the subcontractor the number of participant referrals received, and activities/services provided to participants, are tracked and reported separately by the subcontractor from participant referrals and participants served through any other contracts with the COUNTY. This is to prevent duplicate participant counts from being reported to COUNTY. CONTRACTOR must provide to COUNTY any agreement it enters into for subcontracting services to be provided in relation to this agreement. Any subcontractor providing services for CONTRACTOR in relation to this agreement must also agree to abide by the terms and conditions of this agreement with the COUNTY.

CONTRACTOR will provide the following services to all Welfare to Work (WTW) referred participants:

**Referrals:** CONTRACTOR shall accept all referrals from COUNTY District Offices. It is anticipated that priority will be given to job ready participants who are near their CalWORKs 48 Month Time Clock and those identified on the Work Participation Rate (WPR) List.

**Intake/Enrollment:** Upon receipt of the COUNTY referral, CONTRACTOR staff will "register" the individual as an ESE participant. The participant becomes enrolled into CONTRACTOR programs at the time he or she has completed their first week of participation with CONTRACTOR.

**Outreach and Recruitment:** CONTRACTOR may attend WTW Orientation sessions conducted online or at designated TulareWORKs (TW) District Offices at the discretion of TW District Office management. An orientation schedule will be developed by COUNTY staff and given to the CONTRACTOR.

**Orientation:** CONTRACTOR staff may provide program orientation and screen participants for appropriateness for WTW services through a brief initial assessment. This assessment provides a participant-centered evaluation of basic skills, education, work history, occupational skills, general employability, interests, aptitudes, and supportive service needs. A physical and electronic file is created and maintained containing all necessary program, right-to-work documentation as well as case notes.

**Initial Assessment:** An initial assessment will be conducted by CONTRACTOR on the first day of attendance. CONTRACTOR can review an initial assessment, such as CASAS and other assessment information, as available from COUNTY. Additional information will be gathered through a combination of testing tools to include documentation provided by COUNTY.

**Participant Served:** An individual becomes a "participant served" at the point he/she is provided with ESE program services. These services will be documented in the Monthly Activity Form.

Participants that cannot be counted as a carry over into the new contract year include termed participants; participants in unsubsidized employment/direct placement; participants that have not been placed or termed in the last six months.
